

Mr. DG Vernekar - 2.97 kWp

SITE VISIT REPORT

Eco-Soch Team:

Site Visit By:
Rakesh - 9535212311

Ecosoch Office: # Sha Arcade", 2nd phase, Nti
Layout, Rajiv Gandhi Nagar, Kodigehalli,
Bengaluru, Karnataka 560097

Contact Person: Mr. D.G.Vernekar

Site Address: #208, 2nd cross, 2nd stage, 14th
block Nagarabhavi, Bengaluru – 560072

Coordinates:12.96010,7750587

TSV Date : 21/12/2022

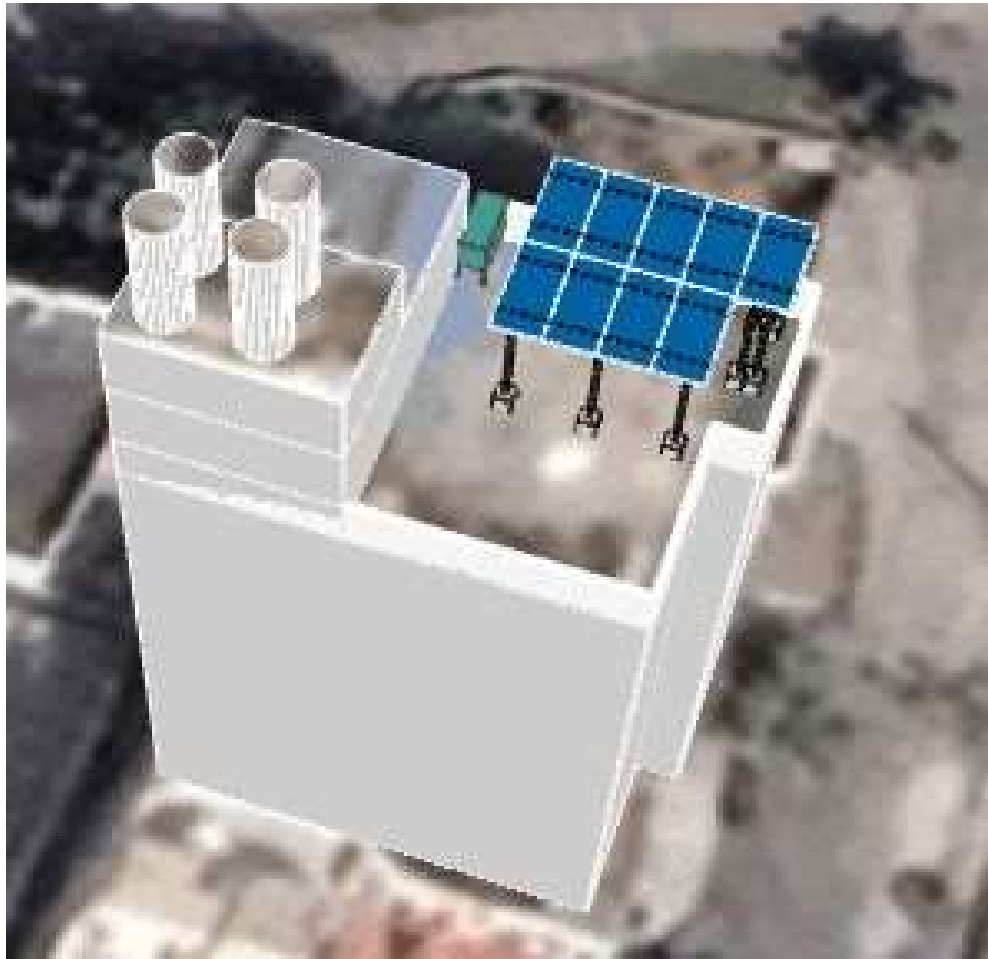

TSVR Date: 01/01/2023

Solar rooftop PV layout design

System Type	ON Grid System
Panel capacity	330wp
Module Make	Home scape
Number of panels	9
Inverter	3kva 1ph String Inverter
Number of inverters	1
Mounting Structure	Home scape Type

PV layout design

Proposed PV area (roof image)

Panels are to be placed at this marked in Blue Colour

Inverter, ACDB, and DCDB location

Inverter, ACDB,
DCDB will be
fixed in this box

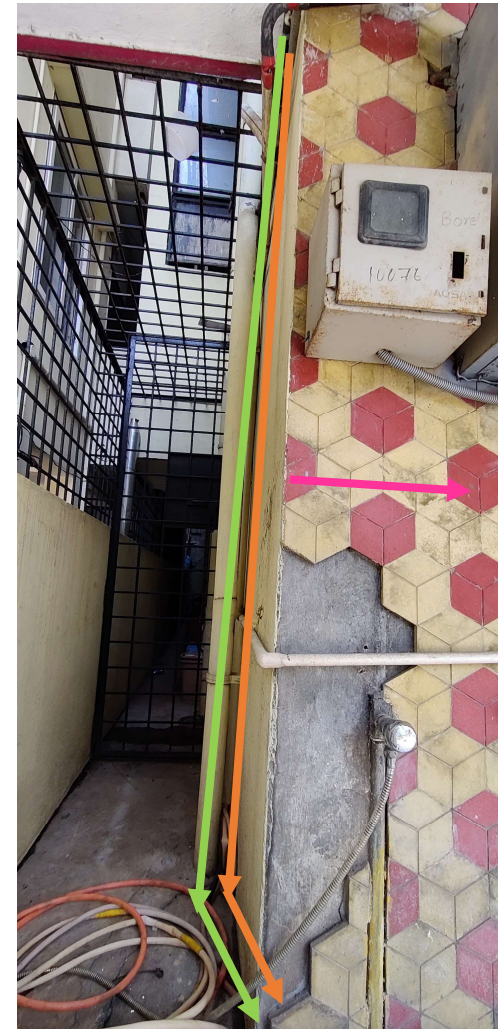

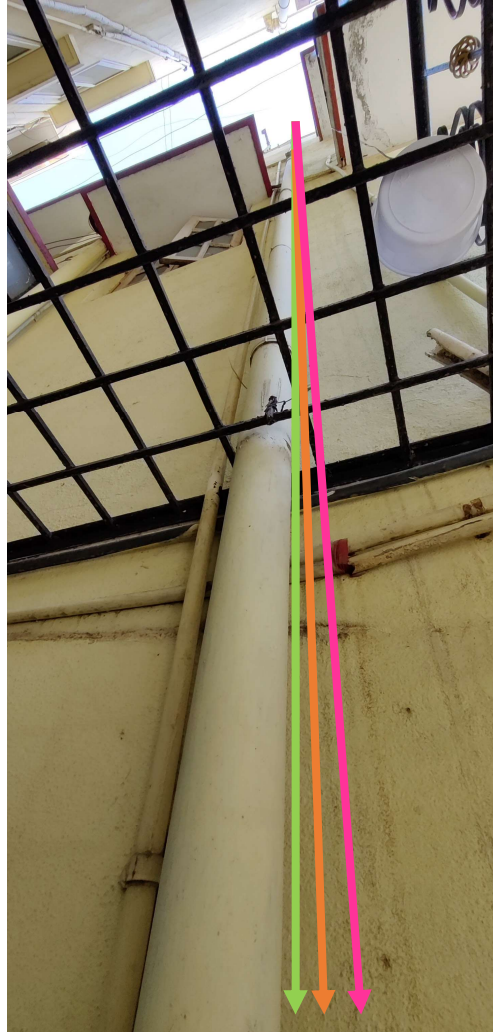

This box will be
placed below
the corrugated
sheet.

AC, DC earthing cable & LA cable routing

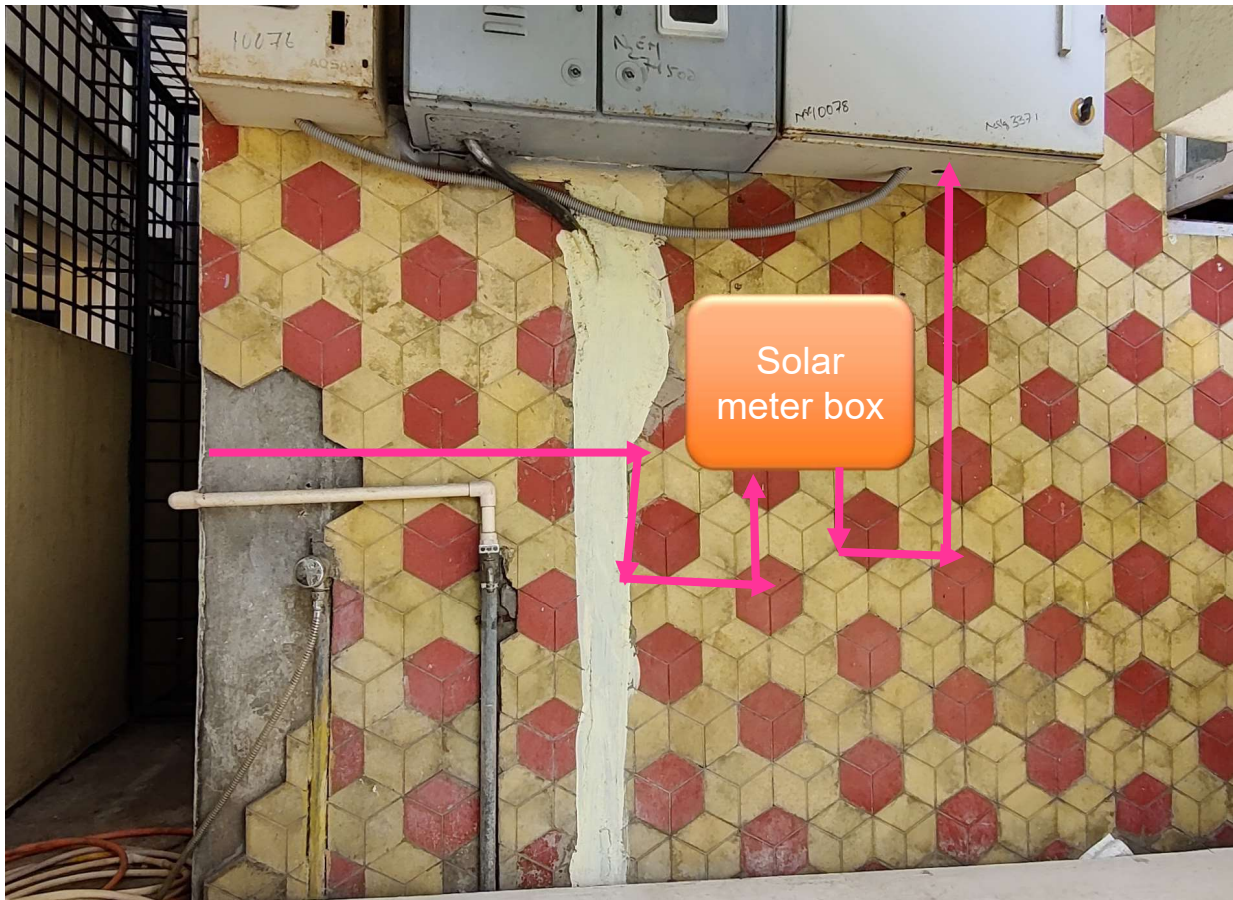

AC cable routing from the inverter to ACDB & from ACDB AC cable running on the parapet wall south side of the building till solar meter cubicle.

AC cable, AC, DC earthing cable & LA cable routing

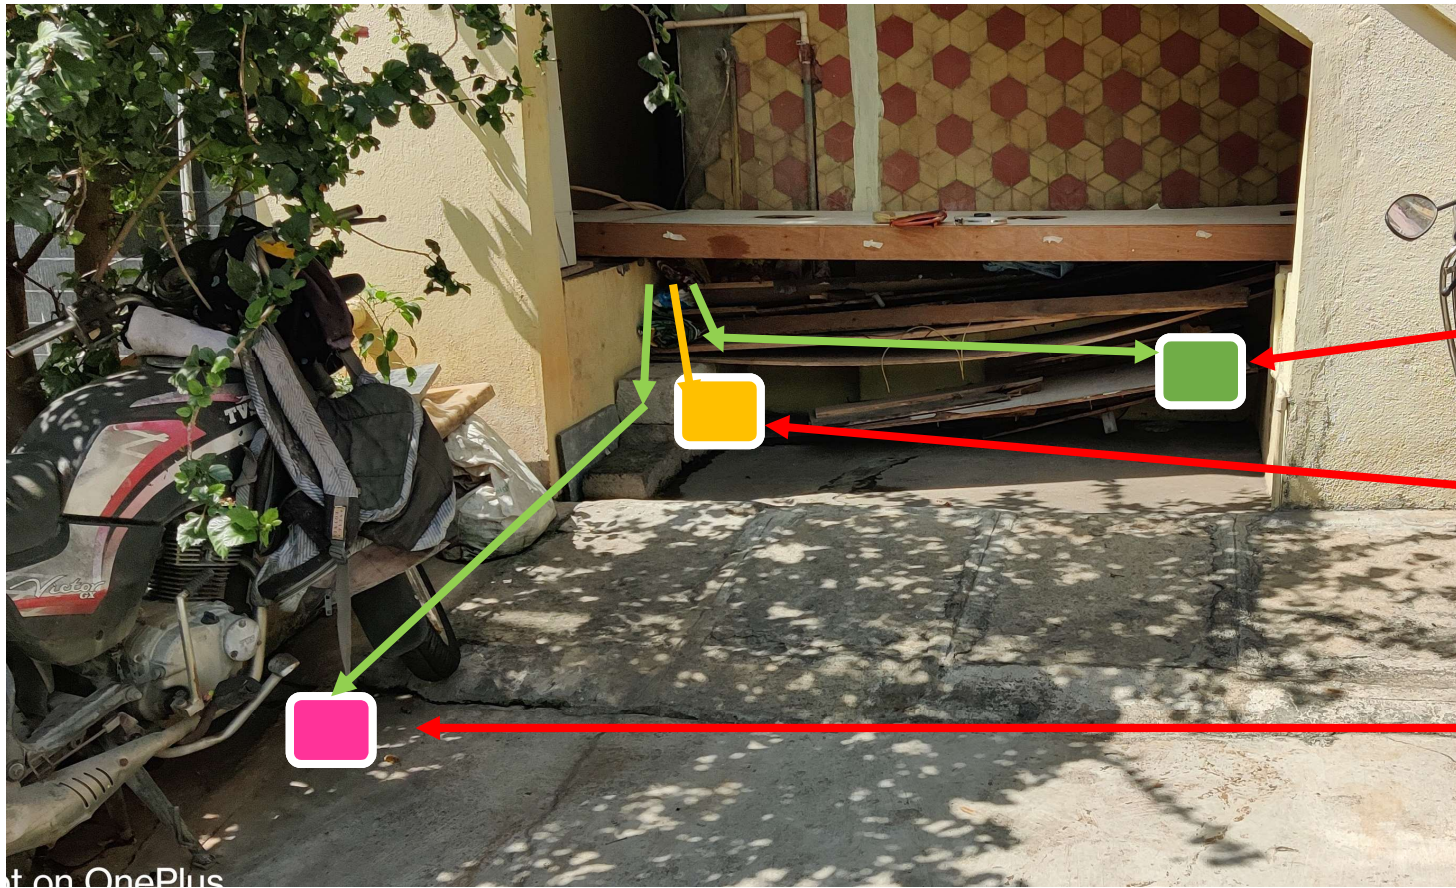

AC cable routing and meter box location

AC cable running on the parapet wall south side of the building till the solar meter box

AC, DC and LA earthing pit location

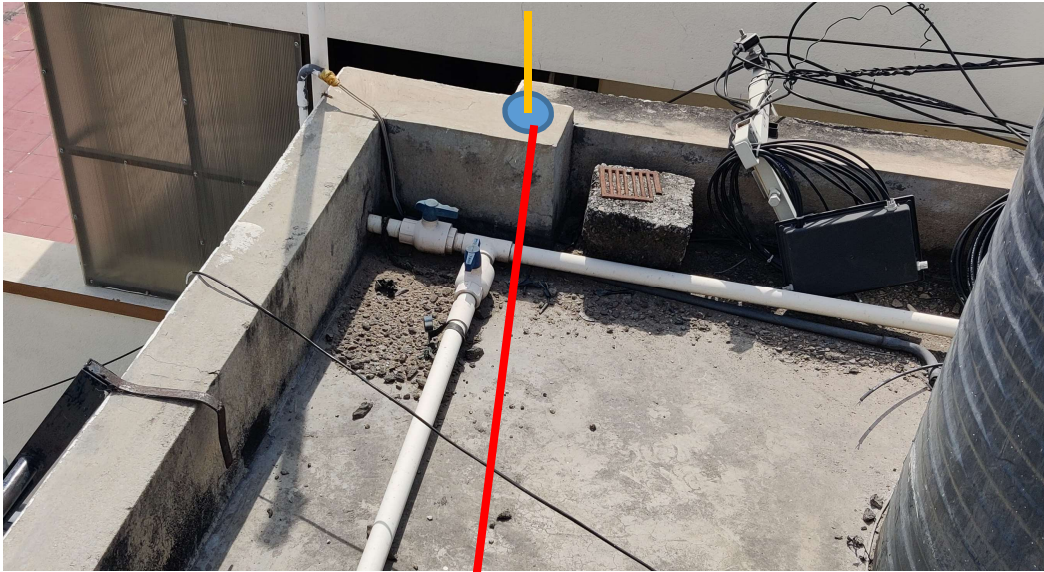

DC Earthing

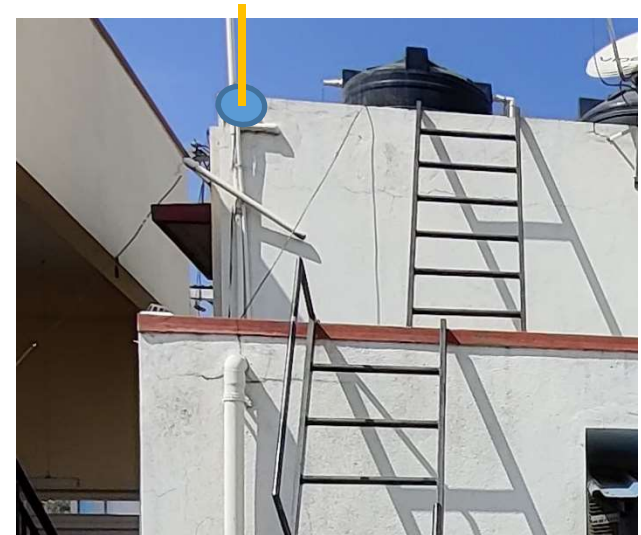

LA Earthing

AC Earthing

Lighting arrestor location

Lighting arrestor location is near the water tank area

Observations:

- Total Height of the building: 12m (Roof on which solar panels are to be placed).
- The BESCOM meter is located near the ground floor on the southeast side of the building.
- DC cable length from the top roof to DCDB required 15m (RED 15Mtr, BLACK 15Mtr).
- AC cable length required - 30m.
- DC Earthing cable length required - 35m.
- AC Earthing cable length required - 35m
- LA (Lighting Arrestor) cable length required - 40m.
- AC, DC Earth pit and LA pit locations are identified near the existing meter box.
- At the site, the existing BESCOM meter is single phase.
- **Wi-Fi connection for solar monitoring near the inverter – under customer scope.**
